JOURNEY TO SCHOOL

The Monastery is just 15 minutes to EC San Francisco, via municipal metro system (Muni). The best way to get to school is to walk 2.5 blocks west on 15th Street, turn right on Church Street, walk one block until you intersect Market Street. Here you can board the Metro Church Station light rail car toward Metro Montgomery Station/ Downtown. A one-way ticket will cost \$2. Be sure to have exactly \$2 as Muni does not give change. For long term students, EC recommends a monthly transit pass called "The Clipper Card". A monthly Clipper Card is only \$66-\$76/month for unlimited rides. It's an economical way to get to school and a great way to explore San Francisco

The Monastery is fully wheelchair accessible and provides easy access to the BART station which is also wheelchair accessible. In addition, EC San Francisco is completely wheelchair accessible making it our most accessible destination in the USA for physically disabled students.
